*We plan to follow the pattern of previous years, where we all meet in the ballroom before splitting up into classes. This will allow you to see who else is in class as the teachers will announce a brief description of the theme. All teachers are highly experienced dancers. You often learn more in a more basic class than an advanced one.*

*Class themes will be announced later and schedule may change. All classes will be held at the inn.*

*Payment is made at the inn by cash, check or credit card*

A) 1 workshop per person: \$25

B) 4 workshops prepaid: \$80 per person (additional workshops at \$20)

C) Milonga with light refreshment buffet: \$25 per person

D) Saturday dinner by reservation only: \$65 per person (E) includes milonga \$80

Space may be limited, please save a walk-in registration fee of \$10 by pre-registering!

Private classes are available and need to be arranged with the teachers directly!
